Students' TESTIMONIALS

CALYSTA, UNIVERSITY OF COLUMBIA - CLASS OF 2026

Origo has been incredibly helpful to me throughout this entire college process. They helped me monitor which activities I needed to take in order to have a fulfilling high school experience and they were so good at reminding me of all my deadlines. They were so quick to respond. I think that just speaks to how good Origo is at helping students achieve their goals.

LUCAS, UNIVERSITY OF SOUTHERN CALIFORNIA - CLASS OF 2026

Origo really strengthened my college applications was by helping me with writing the essays. Because having to write 10 essays in a way that's meant to convince people was something i wasn't used to. But, Origo understanding what the universities wanted. They could ask help for that would help me get the answers i wanted, or help me get the services or even the information

NICOLE, CARNEGIE MELLON UNIVERSITY - CLASS OF 2027

Origo has helped me greatly in my college application process!! I appreciate Sharon for her patience and guidance while I was writing my essays, and for Jessica in helping me organize my resume and extracurriculars:) Overall, I don't think I could have gotten into the unis I wanted without the help from origo!

JASON TJIA, UNIVERSITY OF SOUTHERN CALIFORNIA- CLASS OF 2026

Origo Edu really helped me not only get to my dream school, but also taught me how to be persuasive, engaging, and express myself in the best way possible in my writing. They also guided me on summer classes, internships, and courses to take at school. Counselors are also very supportive and understanding. Would recommend it to anyone stressing over college applications with zero guidance.

MICHELLE, UNIVERSITY COLLEGE LONDON - CLASS OF 2026

Definitely recommend this service if you're struggling with your uni application! I got accepted to most of my desired colleges in the US, UK and Canada. They provide one of the best services with a reasonable price and also reply to your message ASAP. Thank you Origo! :)
